The Band

From the first football game to the last concert, the W.H.S. band, under the direction of Mr. Willard Budnick, sparkled with enthusiasm.

Meeting during the sixth period of each day, the band stretched its wings and played everything from classics to modern jazz. It also participated in the state-wide band contest obtaining honors high enough to make W.H.S. proud of this part of the school curriculum.

Mr. Budnick at his best.
