

Art Department Finds a New Influence

A new member was added to the art department this year as Mr. Trushenski began teaching his first year at Wayzata. Under his direction, students demonstrated with oils, block printing, and sculpture.

Mr. Dostal's more advanced students strived to further develop their skills by working on such problems as three dimensional drawing.

The Southdale Art Show, displaying the best products of these mediums, climaxed the art year.

The Wayzata art department has a tradition of experimenting with a wide variety of mediums and this year was no exception.

New Art wing was burdened with great talent.

Debby Wydo and Linda Allison work on paper mache.

Mr. Dostal "I hate to tell you but your still-life just moved."

Mr. Trushenski initiated new programs for Art I students.
